Ref. - CHC/538/203/2023-24

Dr. K.P. SINGH, the Incharge of Community Health Centre, Siau visited Fatherson Sr. Sec. Public School on 16-01-2024 to inspect the sanitary conditions of the School.

I found the sanitary and hygienic conditions of the school quite satisfactory and standard. There is safe maintenance of toilets, neat and clean hand washing and water drinking facilities.

Undoubtedly, the school fulfils all the child-friendly sanitation & requirements needed for the hygienic of students & teachers.
